

Silicon and Acrylic Sealants

Minimum Order: 70 Cases Each

Regular Colors: White, Black, Transparent, Gray

ACETIC SEALANT

OLV3010

Acetic Silicone Glass Sealant

Description:

OLV3010 Acetic Silicone Glass Sealant is one-part room temperature acetoxy silicone sealant. It is widely used, durable general filler for glasses, windows and doors, good adhesion to other common construction materials.

OLV168

Acetic General Purpose Sealant

Description:

OLV168 Acetic Silicone Glass Sealant is one-part room temperature acetoxy silicone sealant. It has excellent weather ability, waterproof and good adhesion to most construction materials.

OLV 368

Multi-Purpose Sealant

Description:

OLV368 Multi-Purpose Sealant is one-component, acetoxy cure, high quality silicone sealant designed for general purpose glazing and waterproofing application.

NEUTRAL TRANSPARENT SEALANT

OLV 328

Neutral Transparent Silicone Sealant

Description:

OLV328 Neutral Transparent Silicone Sealant is a one component, neutral curing, weatherproof seal on most common building materials (not including copper). It has excellent primerless adhesion to most construction materials and good compatibility with other neutral silicone sealants.

OLV 528

Glass & Metal Silicone Sealant

Description:

OLV 528 Glass & Metal Silicone Sealant is a one part, neutral cure, high performance neutral cure silicone sealant designed for a wide range of glazing, weatherproof seal on most common building materials (not including copper). It has excellent primerless adhesion to most construction materials.

OLV 3300

General Purpose Silicone Sealant

Description:

OLV3300 General Purpose Silicone Sealant is a one part, neutral cure, multi-purpose, neutral cure silicone sealant offering long term durability in a range of general sealing, general glazing, waterproofing and trade applications, non-corrosive to concrete, brick and metals (except copper).

OLV 4800

Weatherproofing Building Silicone Sealant (Alkoxy, Oxime)

Description:

OLV 4800 Weatherproofing Building Silicone Sealant (Alkoxy, Oxime) is a one-component neutral curing, alkoxy based silicone sealant with excellent adhesion, weatherability and elasticity for weather sealing in curtain wall and building facades, especially suits applications in the areas with large difference in temperature and low humidity.

OLV 8800

Super Performance Silicone Structural Sealant (Alkoxy, Oxime)

Description:

OLV 8800 Super Performance Silicone Structural Sealant (Alkoxy, Oxime) is a one part, neutral cure, versatile, high modulus architectural grade silicone sealant that exhibits outstanding physical properties projects, general building constructions as well as structural glazing adhesives uses.

ACRYLIC SEALANT

OLV 77

Caulk & Seal Sealant

Description:

OLV 77 Caulk & Seal Sealant is Acrylic Sealant for windows and doors is a one part, water based acrylic sealant that cures to a flexible and tough rubber with good adhesion to porous surface without primer. Suitable for sealing and filling gaps or joints where low demands of elongation are required.
